Announcement Regarding

Cell Phone Tower Proposal

St. Columba Church, 24 Sandridge Road

Monday, 11 April, 2011

To Whom It May Concern:

After careful consideration by the congregation of the Church of St. Columba, and after consultation with our neighbours in Manor Park, the parish has decided not to proceed any further with the Rogers proposal to erect a cell phone transmission tower on church property. To Rogers Communications, we thank you for your offer, and to our neighbours in Manor Park, we thank you for your participation in our public meeting of April 5th, and for your comments received by letter, telephone and email. Should you have any questions regarding this matter, please feel free to call the Church at this number 613-749-5103, or contact us by email at stcolumbaanglican@bellnet.ca. As always, we welcome all members of the Manor Park community to our 10:00 AM Sunday services.

Yours truly,

Christopher Chance,
Rector's Warden
