Item 2 – Dinner Dance: The dinner dance will be held on Jan. 29, 2005, and 200 tickets need to be sold to break even. The Community Association would like to extend an invitation to the residents of Karen Way and to the residents of Cardinal Glen.

Item 3 – Councillor Legendre Report: Councillor Legendre met with the president of the Richcraft Development Company and with the members of the Karen Way Committee. There will be another information night, concerning new set of plans that Richcraft will present at the meeting. The draft budget was discussed at the meeting and there will be a public meeting on Jan. 13, 2005, at the St. Laurent Community Centre at 7 p.m.

Item 4 – Toastmasters Presentation: The Toastmasters is a non-profit organization that has come forward with a proposition to expand the fieldhouse to meet the needs of the community. They met with the Community Council and with Lana Burpee of the Community and School Council and with Councillor Legendre; all were in favour of the expansion. The time frame for the expansion will be about 12 months, but Robert Todd brought up the point that the fieldhouse is on city property or on School board property so there will a lot of red tape to get around. There was a lengthy discussion and Peter Macdougall made a motion for vindication of support, it was seconded by Robert Todd. The motion was carried.
