Absent: Peter Macdougall, Loie Macdougall, Melanie Rebane, Marie-France Senecal, Ellis Westwood.

Item 1 – President’s Report: David Goldfield made a motion to nominate Jim Kenwood for a Civic Appreciation Award for his contributions to the community; it was seconded by Gail Somers. The motion was carried.

Item 2 – Treasurer’s Report: There was a balanced budget.

Item 3 – Dinner Dance: The dinner dance made a small surplus after expenses and the association would like to thank those on the committee who helped this happen. A letter of appreciation will be sent to the Director General for the use of the Aviation Museum.

Item 4 – Councillor Legendre Report: There will be more red light cameras added to the traffic lights around the city.

The ward boundaries for Rideau-Rockcliffe will be changed to run down the middle of St. Laurent Blvd.

A crime prevention agency has been formed to help prevent certain crimes such as swarming; a board of members has yet to be voted in.

Item 5 – Development Committee: The development committee is looking at the Rockcliffe Airbase and how it will affect Manor Park. They are also looking at Kettle Island Bridge. The committee will be holding a meeting on Feb. 16, 2005. Jeffery Thiessen would like feedback on the traffic problems concerning Hemlock Rd. and St. Laurent Blvd.

Item 6 – Karen Way: Richcraft has put the development on hold indefinitely

Item 7 – Web Site Update: Volunteers from different groups are needed to add information to the web site.

Item 8 – Annual General Meeting: There will be an annual general meeting and an information night on May 31, 2005, from 7 to 10 PM at the Manor Park School.

Item 9 – Other Business: The Toastmasters would like to reconfigure the field house so that it can be put to better use by the community.
