Amendment: Item 3 of the October 2005 minutes read
History Project: Robert Bennett has been cataloguing the Manor Park Community Association files. He will investigate whether these files could be stored at the city Archives.

Item 1 – Wildlife: A cougar was possibly spotted in the Mile Circle and the R.C.M.P. will on the lookout for the cat. There is a family of coyotes in Manor Park.

Item 2: The Community Association took this time to congratulate Sharleen Tattersfield for all of her hard work.

Item 3 – Neighbourhood Watch: The neighbours in Manor Park are being organized to watch out for one another and to be aware of any unusual activity. Mr. Todd talked about a phone autodial system and e-mail broadcast system. Mr. Todd would like to get feedback from the residents in the community.

Item 4 – Dinner Dance: A larger area of the Aviation Museum will be made available for the dinner dance and will be held further from the door. Tickets will be sold on Dec. 5, 2005.

Item 5 – History Project: Dawn Logan is writing the history of Manor Park and is asking the community for pictures.

Item 6 – Councillor Legendre Report: There will be another meeting held about the Beechwood Corridor and Hemlock Road traffic calming, sometime before February. A proposal for light rail to go down Montreal Rd. was discussed at the meeting. A ban on pesticides is due to go before city council the day after the meeting.

Item 7 – Budget: Our treasurer gave us an update on our finances and found that we had a healthy balance.

Item 8: The meeting was adjourned.
