Staff: The Manor Park Child Care Centre has a caring staff of Registered Early Childhood Educators (RECE) who will create a warm and safe atmosphere. Toys and activities to encourage curiosity, exploration and healthy development fill spacious rooms with large windows. Surrounded by 3 acres of green space, adjacent to the RCMP Musical Ride Stables, there will be lots of time for the outdoors and physical play.

Operator: This daycare is the third child care program run by the Manor Park Community Council (MPCC), adding to 'Before- and After-School in Manor Park' and the Manor Park Playschool.

Fee subsidies: Fee subsidies are accepted at the Manor Park Child Care Centre.

\$10 Daycare: The MPCC has signaled that we are ready to add 54 new child care spaces at the Manor Park Child Care Centre under CWELCC. In fact, we started our licensing process in May 2022 but at the time of writing we do not know when this daycare will be accepted into the program. We are opening under (provincially capped) regular full fees and with fee subsidies.
